

Journalism Broadcast Student Testimonials

“Sheridan has given me the foundation I needed to get into the career I've always wanted. The program really teaches what to expect in the ‘real world’ and the faculty is next to none.”

Cristina Carpio, Journalism Broadcast 2010
CTV News Reporter

"Sheridan's Journalism Broadcast program changed my life. I went from working a dead-end retail job and not even knowing how to turn a camera on, to working as a member of the CityNews camera team in just over two years. With the tireless help of all the industry-trained instructors, and the volunteer opportunities they made available to me, I have found my calling and couldn't be happier--great teachers, awesome school, top-notch program.”

James Morrison-Collalto, Journalism Broadcast 2008
ENG Camera CityNews

"The skills I learned through the Journalism Broadcast program at Sheridan College allowed me to succeed in the media industry. The 'hands-on' learning approach, supportive instructors and advanced technology gave me the confidence I needed to make the transition from student to knowledgeable employee."

Selena Drepaul, Journalism Broadcast 2008
Producer/Videographer CHCH

Broadcast Journalism helped me to develop strong written and verbal communication and analytical thinking skills that I will carry with me throughout my career."

Erin McKeever, Journalism Broadcast 2008
Account Manager, A.K.A. New Media
