

In-Person Services 2010-11

Career Counsellors are here to help you figure out the right career path suited to your unique qualities. They won't do it all for you, but will give you the skills, information, and resources you need to get directed and set career goals. Consultation services include:

- career testing & vocational assessment
- exploring career options
- research and evaluation of career alternatives
- labour market information, outlooks, and future trends
- educational planning (university, college programs, transfer agreements, apprenticeships, etc)
