

Welcome to the Early Childhood Education program at Sheridan!

As you begin your academic journey into the world of ECE, your faculty would like you to know that here at Sheridan we remain committed to ensuring that you will be exposed to the best educational experience that can be provided. During your time in the program, the courses you will engage in will support you in becoming a critical thinker and a reflective practitioner. You will be exposed to experiences that will challenge your thinking, and excite your mind! It is our goal to help you become a highly qualified early childhood educator in an exciting and ever-expanding profession. We are really looking forward to working with each and every one of you!

We can't wait to meet you at **New Student Orientation** at the Davis Campus - Wednesday September 1, or the Trafalgar Road Campus - Thursday, September 2nd!

See you in class!
