Gain an in-depth knowledge of industrial design, materials and processes in our state-of-the-art facilities.

94%

**Employer Satisfaction\***  
with the knowledge and skills that our graduates possess.

**Honours Baccalaureate Degree**

**Program Code:** PBCRDI

Full-time | Trafalgar Road Campus | 4 yrs  
(8 semesters)

Design your way to a bright future.

## Take the design process from beginning to end

Sheridan's Industrial Design program gives you the tools to create smart, innovative and meaningful design. You'll go through the entire design process — from research to finished product. You'll look at design problems and imagine, develop and test solutions for specific audiences. Working with our other studios, you'll connect design with creation, broadening your knowledge.

## State-of-the-art facilities

In this program, you'll use the latest technology to prepare you for success in the industrial design industry. You'll learn both digital fabrication methods and hand processes. Access to our state-of-the-art FAB LAB (with 3D printers and laser cutters) and our amazing faculty and students in other studios gives you a broad skill set to get you ready for a rewarding career.

## Get a foundation in all Craft and Design studios

Our program provides a collaborative, interdisciplinary approach to craft and design. You'll major in your studio of choice while building skills in the four other disciplines. You'll work with students and faculty from across all five studios on interdisciplinary projects that bring together a range of expertise and experiences to explore the potential of contemporary art, craft and design.

## Admission Requirements

### Program Eligibility

#### Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U)

#### PLUS

- One Grade 11 or 12 Visual Arts credit at the M or Open level or a portfolio
- Four\* other Grade 12 credits (U or M)
- Minimum 65% overall average

\*Applicants presenting without the senior level Visual Arts credit (at the M or Open level) must have five other Grade 12 credits (U or M)

#### OR

Two semesters of postsecondary education, including required courses, with a minimum 65% overall average.

### Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement (the average of their six highest senior-level credits, including required courses) and the results of their portfolio, provided the portfolio is required in place of the senior level Visual Arts credits.

Applicants who do not meet the admission requirements for this program will be assessed and advised individually and may be considered for other, related programs.

### English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

### Sheridan Degree Entrance Scholarship

Sheridan is pleased to provide an Entrance Scholarship in the amount of \$1,500 to select applicants in this degree program. View Sheridan Degree Entrance Scholarship details for eligibility criteria and more.

### Ministry Consent

Sheridan has been granted consent by the Ministry of Training, Colleges and Universities to offer this degree for a seven-year term starting December 17, 2013 and subject to renewal thereafter. Application to the Ministry for renewal of the consent is a prescribed and cyclical requirement for degree programs at all Ontario colleges. Sheridan will ensure that all students admitted to the Honours Bachelor of Craft and Design program during the period of consent will have the opportunity to complete the program within a reasonable time frame. Credentials earned during the period of consent remain valid, even if Ministry consent to offer the program is withdrawn in the future. Prospective students are responsible for satisfying themselves that the program and the degree will be appropriate to their needs (e.g., acceptable to potential employers, professional licensing bodies, or other educational institutions).

Refer to the website for full admission requirements.

## Career Opportunities

Many graduates are local and international leaders in the field, finding employment in top design firms or establishing independent studio practices. You may choose positions in design and manufacturing industries, arts service organizations, or galleries and retail operations that specialize in craft and design, or pursue graduate education at a variety of universities throughout North America and abroad.

### HERE ARE SOME JOBS YOU MIGHT FIND:

Designer

Artist

Craftsperson

Entrepreneur

Teacher

Arts Administrator

Fabricator

Gallerist/Curator

## Courses

### SOME OF THE COURSES YOU CAN EXPECT TO TAKE IN YOUR PROGRAM

Design Processes 1

Technical Design Drawing

Context and Culture

Human Factors 1

Systems and Multiples

Furniture: Forms in Materials

Note: See website for specific terms and course listings.
