Pathways to success

If you know you want to work in health sciences but aren't sure of your academic path, this program may be ideal for you. There's a strong focus on academic advising to support your success, and you'll be introduced to a range of possible career paths in the health sciences field.

Transfer opportunities

When you've completed this program, you can apply to transfer into one of these Sheridan programs: Athletic Therapy, Kinesiology, Practical Nursing, Pharmacy Technician, Veterinary Technician or Animal Care.

Articulation agreements

We've established articulation agreements with other Sheridan applied health programs, as well as with programs at Queen's University and York University. This means that, even if you don't meet the admission requirements for the programs listed in the agreements, you can become eligible by completing Sheridan's Pre-Health Sciences certificate program and meeting certain criteria.

Admission Requirements

Program Eligibility

Ontario Secondary School Diploma, or equivalent, including these required courses:

- One English, Grade 12 (ENG4C or ENG4U)
- Mathematics, Grade 11 (C, M or U) with a minimum 60% or Mathematics, Grade 12 (C, M or U)

or

Mature student status.

Applicant Selection

Eligible applicants will be selected on the basis of their previous academic achievement (the average of their six highest senior-level credits, including required courses).

Applicants who do not meet the admission requirements for this program will be assessed and advised individually and may be considered for other, related programs.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Refer to the website for full admission requirements.

Career Opportunities

A primary reason students choose the Pre-Health Sciences Pathway to Advanced Diplomas and Degrees program is to enhance job and career prospects.
