Sheridan's Professional Accounting program is your first step to becoming a Chartered Professional Accountant.

Ontario College Graduate Certificate

Program Code: PPACG

Full-time | Hazel McCallion Campus | 1 yr
(3 semesters)

Ontario College Graduate Certificate

Program Code: PPACGC

Full-time | Hazel McCallion Campus | 1 yr
(3 semesters)

Work towards a career in accounting.

Get your CPA preparatory courses with Sheridan

This program gives you a clear pathway to becoming a Chartered Professional Accountant (CPA). Once you've successfully completed this program, you can apply to CPA's Professional Education Program (PEP) — the final step before you write your Common Final Exam (CFE). Even if you don't have an accounting background, you'll soon be on your way to becoming a CPA.

Co-op or fast track: the choice is yours

If you start in May, you'll have the option to apply for our co-op program, which adds a four-month work term. This gives you the chance to gain valuable work experience and showcase your accounting skills to potential employers. You may also choose to fast track your studies by starting in September or January. In that case there's no co-op term, so you can complete the program in three semesters.

Learn in a supportive classroom environment

CPA's preparatory courses are rigorous and challenging to complete. By taking our Professional Accounting program, you'll get the equivalent courses in a supportive classroom setting. You'll also benefit from the best of the college experience — practical learning, one-on-one attention and small classes.

Admission Requirements

Program Eligibility

- Postsecondary degree in any discipline and
- Demonstrated competence through related work and/or suitability for a career in accounting.

International degrees will be considered for equivalency to domestic admission requirements.

- Domestic applicants with education outside of Canada must have their transcripts assessed for equivalency through ICAS or WES. A comprehensive (course-by-course) postsecondary credential assessment is required.
- International applicants need to follow the international application process.

All applicants with international credentials will need to confirm with the Chartered Professional Accountants of Canada (CPA) directly regarding the acceptance of their degree for entry into the CPA Professional Education Program. Applicants are advised to visit the CPA website for contact information.

English language proficiency must be met in accordance with standards set out for Sheridan Graduate Certificate programs.

Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement, and/or demonstrated experience or suitability for a career in accounting.

Eligible applicants will be requested to submit a résumé and cover letter, and a brief response to three questions that illustrate the applicant's suitability for a career in accounting. Strong written and oral communication skills are required.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Refer to the website for full admission requirements.
