

Join us on Wednesday, December 5<sup>th</sup>, 2018 (6 – 9 PM)

## ENGINEERING CAPSTONE PROJECT SHOWCASE

Mechanical, Electromechanical, Design & Drafting, Computer and Electronics Engineering

Come and see what the next generation of Sheridan's engineering technology graduates is developing and meet with the project teams, their industry partners and professors. Capstone projects give final year students the chance to apply all their knowledge and skills to create a practical applied solution to a real industry problem.

Take a tour of Sheridan's Centre for Advanced Manufacturing and Design Technologies (CAMDT) and see the 3D Printing Centre, Energy, Mechatronics and Robotics labs, drone research team and more!

***Learn about project opportunities with Sheridan Engineering in 2019.***

***Free Event includes refreshments***

**Wednesday, Dec. 5<sup>th</sup>, 2018  
6pm to 9pm, Room C131  
Sheridan Davis Campus,  
7899 McLaughlin Road, Brampton**
