Immigration, Refugees and Citizenship Canada

To Whom It May Concern:

Please note all students registered in the one-year Animal Care program must complete one (1) field placement to be eligible to receive the one-year Ontario College Certificate in Animal Care. This work integrated learning is an integral component of the program and comprises less than 50% of the total program of study.

We are requesting that a Co-op Work permit be issued to the applicant to complete the mandatory Work Integrated Learning as described per student's program plan:

FLPL 14092: Field Placement 1
