✓ Write your Language Assessment (if required)

Students required to write the Language Assessment must do so before classes begin to ensure you're registered in the correct Communication Skills course this term (Winter 2019).

Note: This is different from the English Proficiency (IELTS or TOEFL) admission requirement. For more information on Sheridan's Language Assessment (including if you need to write it or not), please visit Sheridan's [Language Assessment](#) webpage.

✓ Check your Sheridan email

Be sure to check your [Sheridan email](#) regularly before classes start and throughout the year for important information from Sheridan. This email account is used for all official Sheridan communications.

✓ Get your onecard (Student Photo ID) and add funds to your Flex account

Your onecard is proof that you're a registered Sheridan student and gives you access to campus facilities and services. To get your onecard at Orientation: [upload your photo online](#) at least two days before your event. You can also pay for select campus services using your onecard.

For information on how to add funds to your onecard Flex account, click [here](#). You can pick up your onecard during orientation or the first week of classes. When picking up your onecard, please show government-issued photo ID and have your 9-digit student ID number.
