## Airport Arrival Guide

## Step 1 Pass through Canadian Customs

At Customs, you will be asked to present your travel documents and your letter of introduction which indicates your study permit approval. Be prepared with the following documents:

- 1) Your [Letter of Introduction](#) issued by Immigration, Refugees and Citizenship Canada, which was either given to you at the Canadian visa office in your country, or sent to you by email.
- 2) [Valid passport with valid temporary resident visa](#) (also known as a Travel Entry Visa), if applicable, for your country.
- 3) Original or copy of your [Letter of Acceptance](#) from Sheridan College.
- 4) [Evidence of financial support](#).
- 5) The address of the place you will be staying (temporarily or permanently).

Once you approach Customs, you will speak to an immigration officer. The Immigration officer will examine your documents. If everything is correct, the Immigration officer will issue your [study permit](#).

## Step 2

Continue through to the Baggage Claim area. Look for your country of departure and the corresponding number and find your carousel. Once you have picked up your baggage, proceed through the arrival gate.

## Step 3
