**Subject:** Bargaining Update

Dear Sheridan Community,

The colleges and the union have not finalized an agreement at the bargaining table. At present, the strike has not been resolved.

Ontario colleges have now announced that they have asked the Ontario Labour Relations Board to schedule a faculty vote on the colleges' offer. Due to the length of time it will take for a vote to be organized, the colleges have further asked that the strike be suspended while the vote is being organized to allow students and faculty to return to class.

The media blackout that was in effect has now been lifted. As more information becomes publicly available to us, we will continue to share it with you.

Thank you for taking the time to read this notice and for keeping yourself informed.
