

Sheridan | International Centre

Dear International Student:

I wanted to reassure you that despite the many rumours you may have heard, Sheridan leadership is **not considering** the loss of the Fall term.

Our number 1 priority is always to ensure that students are able to achieve the Learning Outcomes that were intended, and for Sheridan's reputation for quality and integrity to be maintained. In all of the scenarios we are considering given the strike situation, there is no scenario under consideration in which students would lose or have to start the Fall term over.

I would also like to reiterate the fact that Immigration, Refugees and Citizenship Canada (IRCC) has continuously assured students that because of the strike, students' study permit status should not be affected. For more information, [click here](#).

Please stay in touch with us, and when we have any news, we will share it immediately. Our staff are here to support you and answer any questions you may have, as always.
