
Subject: Update on potential faculty strike

Dear Sheridan Community,

Sheridan has learned that earlier today, the union representing academic employees (faculty, librarians and counsellors) at all of Ontario's colleges rejected the colleges' final offer of settlement. The union also indicated that it intends to begin a strike on October 16. The colleges, in turn, asked the union to allow its members to vote on the final offer that was presented, as a strike could be averted if the majority of the union's members across the province voted to accept the offer.

As more information becomes available to us, we will be sure to share it with you. We will also post updates to the following site: <https://www.sheridancollege.ca/news-and-events/strike-related-information.aspx> This page also contains a "Frequently Asked Questions" resource guide and provides contact information (phone and email) where further questions may be directed.

As always, our students' learning remains our top priority.

Thank you for taking the time to read this notice.
