

Sheridan at a glance

Welcome!

Sheridan offers an environment of innovation and creativity that inspires people to explore new ways of thinking. From our vibrant, diverse campuses to our rigorous programs and commitment to practical, experiential learning, here – at a glance – are a few of the hallmarks that set Sheridan apart.

At Sheridan, we do things differently. We think differently, and we teach differently. We are designing a new kind of higher learning – one that blends teaching excellence, connectivity to the workforce, interdisciplinary creativity and innovation, personal development, academic integrity, and applied research and knowledge. Guided by our signature "S-Sense", we will empower our learners with the strongest skills and capabilities and combine the best of college, university and polytechnic education. We will be unique in how we deliver cutting-edge knowledge, workforce preparedness and the self-sustaining optimism required to thrive in an ever-changing, complex world.

**When the world asks, why Sheridan?
There's nothing else like it.**

SHERIDAN IN THE NEWS HIGHLIGHTS FROM 2020

Sheridan students awarded the animation industry's highest honour

A team of 11 Honours Bachelor of Animation students received the Annie Award for Best Student Film in Los Angeles. Their film, *The Fox & The Pigeon*, was a third-year group project.

Sheridan student once again recognized as co-op student of the year

For the sixth time in eight years, a Sheridan student wins the country's top college co-op honour. Christina Weng from the Honours Bachelor of Interaction Design program was awarded the Student of the Year honour by Co-operative Education and Work-Integrated Learning Canada.

Sheridan supports front-line workers and small businesses during the pandemic

A team at Sheridan's Centre for Advanced Manufacturing and Design Technologies produced hundreds of face shields for donation to local health-care systems and long-term care facilities. Sheridan also partnered with Coca-Cola Canada to fabricate 200 countertop shields for distribution to Ontario small businesses.

Sheridan President and Vice Chancellor Dr. Janet Morrison signs the Black North Initiative CEO Pledge

Alongside other leading Canadian institutions, Sheridan signed its intent to take specific actions to meet targets designed to dismantle systemic anti-Black racism and create opportunities for underrepresented members of its community.

Craig Henighan wins an Emmy

Media Arts alumnus Craig Henighan won an Emmy for Outstanding Sound Editing for a Comedy or Drama Series for his work on *Stranger Things*.

Magna donates \$2 million to Sheridan

Automotive technology supplier Magna generously donated \$2 million to Sheridan. In honour of the gift, Sheridan renamed its suite of Skilled Trades programs as the Magna School for the Skilled Trades and the building that houses them as the Magna Skilled Trades Centre.
