Micro-Credential - One Year Program

<p>Withdrawal/Refund Policy</p>	<p>For refunds or withdrawals, please visit: https://caps.sheridancollege.ca/student-guide/transfers-refunds-and-withdrawals.aspx</p> <p>Please note: As a Second Career-funded student, all refunds are to be returned to your funder.</p>
<p>Your Second Career and Career Opportunities:</p>	<p>Students will learn to be versed in statistical and mathematical concepts and will be comfortable writing basic R and Python scripts. These foundational courses balance three aspects of core data science: Statistics, Data Modelling and ML, and Ethics.</p>
<p>Please identify the main skill learners can expect to gain upon completion of the micro-credential</p>	<ul style="list-style-type: none"> • Understand and apply the fundamentals of data science and predictive modeling. • Utilize advanced statistical concepts. • Use tools and technologies related to data mining and analysis. • Provide impactful strategies for presentation of data, with solid business -related outcomes.
<p>Method of Instruction:</p>	<p>online</p>
<p>Equipment Availability:</p>	<p>Students will have access to computers in open access computer labs.</p>
<p>Instructor Qualifications:</p>	<p>Our faculty is hired based on a combination of industry experience and academic qualifications. Most faculty have relevant Master’s degrees and/or professional certifications where applicable.</p> <p>Our faculty is provided with opportunities to engage in professional development to ensure currency in their field and proficiency in teaching adults.</p>

Program Profile for Second Career – 2021/2022
Data Analyst
Micro-Credential - One Year Program

<p>Curriculum Design:</p>	<p>All programs are designed and kept up to date with input from Research and Innovation teams which include representation from employers and industry organizations.</p> <p>The Centre for Teaching and Learning at Sheridan oversees the design of new programs and courses and maintains a schedule of program review to keep programs up to date.</p>
<p>Evaluation of Instructors, Courses and Programs:</p>	<p>Students have the opportunity to complete a formal evaluation of the course and instructor at the end of each course.</p> <p>Public colleges must survey students, graduates and employers as mandated by the Ministry of Advanced Education and Skills Development to obtain information on Key Performance Indicators (KPIs). Please visit: https://www.sheridancollege.ca/about/administration-governance/policies-accountability/key-performance-indicators</p>
<p>Physical Facilities:</p>	<p>Sheridan classrooms and campus facilities are accessible and are designed to support a wide range of applied learning activities. Classrooms and labs are equipped with modern technology, including digital AV teaching and learning aids. Our Trafalgar, Davis and Hazel McCallion campuses have physical fitness facilities, full-service cafeterias, modern learning resource centres and vibrant student centres which contribute to supporting student learning and life. Each campus has attractive grounds that provide a relaxing counterpoint to the hustle and bustle of student activity.</p>
<p>Additional Supports and Resources:</p>	<p>As a public college, Sheridan is able to offer a full range of student services and supports. Please review our services by visiting: https://www.sheridancollege.ca/student-life/student-services</p>
<p>Accessibility:</p>	<p>The Accessible Learning Services Office facilitates equal access for eligible students with disabilities by coordinating reasonable academic accommodations and support services. For more information on student accommodations, please visit: https://www.sheridancollege.ca/student-life/student-services/accessible-learning-services</p>
<p>Key Performance Indicators (KPI) - (graduation, employment rates)</p>	<p>https://www.sheridancollege.ca/about/administration-governance/policies-accountability/key-performance-indicators</p>
