

## Key updates for Winter 2021

Dear %1,

Below, you'll find important info for the upcoming Winter 2021 semester:

### Important dates

To allow your faculty additional time to plan an engaging and innovative learning experience, the Winter semester will begin on **January 18, 2021**. It will run for 13 weeks, ending on **April 23, 2021**. Reading Week is from **March 1 - 5, 2021**. Please visit the full [Academic Calendar](#) for more important dates.

### Your program delivery mode

Your program will be delivered through one of the following learning models:

- **Virtual (remote):** delivered in a fully remote context, with a mix of reading, videos, interactive/collaborative activities and assignments.

*OR*

- **Hybrid:** taught both online and on-campus (for courses where hands-on learning is key). This will help to ensure your safety without compromising the quality of your education.

Please note that it may be necessary to restructure your program map. This will have no impact on your program or your credential, and we'll make sure your Academic Advisement report is kept up to date.

## Support services

We've adapted all of our services to ensure that you feel supported here at Sheridan, and to help you connect with your community. Our staff will continue to provide phone, chat, video and online support, through services such as personal counselling, career and academic advising, library resources, assistance with assignments and citation, tutoring, and more. Please visit our [Student Support Services - Remote Delivery](#) page for more information.

## Fees and payment

[Fee estimates](#) will be available by early November in [myStudent Centre](#). **To secure your place, you must pay your tuition deposit or declare your intent to register by November 11.**

To help ease the financial strain on students, we've reduced the non-refundable tuition deposit to \$250 and are continuing to offer a payment plan for the Winter term. You can opt into the payment plan for the Winter term by mid to late November.

Tuition and fees are due in full by January 29th, 2021. If you opt into the payment plan, 50% of your fees will be due on January 29th, 2021 with the remaining balance to be paid in two installments afterwards.

## Financial aid

In addition to government funding such as OSAP, Sheridan awards over \$6 million through 7,000 bursaries, scholarships and awards every year. Please visit the [awards, scholarships and bursaries page](#) for more information.

We're committed to your health, well-being and success at Sheridan. Please visit [this page](#) for up to date information. We look forward to having you as part of our community this winter!
