Preparing for the Start of the Semester

September 4, 2020

Dear students,

I hope you are enjoying the last few days of summer; as always, please continue to prioritize your own health and wellbeing.

With the beginning of your fall semester almost upon us, Sheridan's faculty and staff are busy making final preparations. We look forward to welcoming a limited number of students and employees back to campus and are implementing a suite of strict protocols to ensure your safety and prevent the spread of COVID-19.

Whether you are joining us in September for on-campus instruction or will be studying remotely, I'm writing to provide information about the many resources available to support you, point out where to find key information, and share opportunities to stay connected within your new community.
