

Are you coming to campus?

Where to upload your vaccine documents.

! For those coming to campus for any reason (including residence and varsity athletics)

Upload your vaccination records to Sheridan's secure platform hosted by Synergy Gateway

- Visit our [COVID-19 page](#) for instructions and information on vaccine accommodations
- For issues uploading your documents, please contact Synergy's help desk directly via synergyhelps.com (Online Ticketing System)

Note: *Campus residents must submit their documents at least two days before moving into residence.*

! For all international students and those travelling to Canada

Please complete the following forms before travelling to Canada:

- [ArriveCAN app](#)
- [My Quarantine Plan](#)
- [Health Centre Registration Form](#)

To access campus, you must show your Synergy Gateway compliance card or approved accommodation, your onecard and complete the health screening on the **Sheridan Alert! app**. Please also ensure you watch Sheridan's mandatory training video about our safety protocols prior to coming to campus (available on SLATE for students).

! Ontario businesses

You need to show your proof of vaccination at off-campus restaurants and other businesses. Ontario vaccine receipts or an enhanced vaccine certificate with a QR code is available from the [provincial vaccine portal](#).

Visit our [COVID-19 and Return to Campus webpage](#) to get the most up-to-date information.
