Selection Process for Applicants

Candidates will be selected based on academic standing and/or demonstrated experience, and their submission of a letter of intent, two letters of reference, and responses to a résumé questionnaire.

Applicants selected for the program will be notified through their Sheridan email account. These decisions will not be released over the phone. Fee, registration and timetable information will follow. Classes for the fall term begin Tuesday, September 5, 2023.

To move forward in the processing of your application, you must submit a portfolio online. The deadline to submit portfolios for the first round of assessment is February 23rd, 2023. After this date, assessments will be made on a first-come, first serve basis for the remaining available seats. It's in your best interest to submit your portfolio as soon as possible, as seats can fill quickly.

Academic Integrity

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as "a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action".

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. Those applicants will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

For programs where a portfolio submission is required as part of the admission process, portfolio work should represent an applicant's own ideas, writing, projects, and creations. Where others have contributed, or non-original ideas have been included, applicants will give proper recognition and reference.
