Instructions for Applicants

The admission consideration for this program may require the submission of a portfolio online. Applicants requiring the portfolio submission will be identified within Sheridan's applicant portal (Incomplete Items). The online submission system opened on November 9, 2020. It's in the applicant's best interest to submit their portfolio as soon as possible.

Selection Process for Applicants

Eligible applicants are selected on the basis of their academic achievement (in progress or completed).

Applicants who do not possess a Grade 11 or 12 Visual Arts credit at the (M) or (Open) level are required to submit a portfolio. Applicants presenting without the senior level Visual Arts credit must have five other Grade 12 credits (U or M).

Applicants selected for the program will be notified through their Sheridan email account. These decisions will not be released over the phone. Fee, registration and timetable information will follow. Classes for the fall term begin Tuesday, September 7, 2021.

Academic Integrity

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as “a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action”.

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. Those applicants will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

For programs where a portfolio submission is required as part of the admission process, portfolio work should represent an applicant's own ideas, writing, projects and creations. Where others have contributed, or non-original ideas have been included, applicants will give proper recognition and reference.

Online Portfolio Submission Requirements

After applying to the program, some applicants will be required to submit a portfolio online and will receive official submission instructions.

The Portfolio submission consists of ten (10) images of work and a separate PDF document providing information about the images along with responses to two questions (see below).

a. **Images of Work**

Please show ten (10) images of your creativity. This may include 2D and 3D examples of work such as drawings, paintings, design work, sculpture, photography, and completed objects or projects in any media or anything you feel may support your application.

Images of details or alternative views should be used sparingly and counted within the 10 images.

b. **Image Description and responses (PDF)**

Label and describe your images (include: identifying title, materials, processes, brief description). In the same document, provide responses to the following two questions:

- I. What interests you about the program?
- II. What do you hope to achieve in the program?
