### Program Eligibility

Post-secondary diploma, advanced diploma or degree in any discipline; or equivalent (paid employment full or part-time, extra-curricular activities or community involvement). 5 years (professional or significant amateur) experience in a Creative Industry field will also provide a candidate program eligibility. Creative Industry fields are defined broadly as film, tv, theatre, music, design, gaming, traditional, web or interactive design, arts, architecture, publishing, crafts, curatorship, distribution or exhibition of artistic product.

This program welcomes applicants from a broad range of backgrounds including, but not limited to: film studies, television/broadcast, liberal arts, fine arts, animation, gaming, theater, or other area, as long as the applicant has proven experience in creative endeavors.

## **Selection Process for Applicants**

Candidates to the program are selected on the basis of academic achievement and the evaluation of a [Letter of Intent](#), which includes volunteer/work experience that demonstrates their involvement in the creative industries or production.

Postsecondary transcripts, indicating courses completed to-date, must be submitted at the time of application.

Applicants selected for the program will be notified through their Sheridan email account. Decisions will not be released over the phone. Fee, registration and timetable information will follow. Classes for the fall term begin Tuesday, September 6, 2022.

## **Academic Integrity**

By submitting your Admission Requirements, you are agreeing to comply with Sheridan's Academic Integrity Policy. The Academic Integrity Policy states:

Sheridan College is committed to upholding the highest standards of academic integrity. The International Centre for Academic Integrity (ICAI) defines academic integrity as “a commitment, even in the face of adversity, to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. From these values flow principles of behavior that enable academic communities to translate ideals into action”.

Applicants who are found to have falsified transcripts, cheated on admission tests, or submitted fraudulent documents or in any other way attempted to circumvent the admissions process in a manner inconsistent with the principles of academic integrity, will not be granted admission to the College. Those applicants will be ineligible for admission to any Sheridan program or course for a period of not less than 5 years, after which admission to the College will be reviewed on a case-by-case basis.

For programs where a portfolio submission is required as part of the admission process, portfolio work should represent an applicant's own ideas, writing, projects and creations. Where others have contributed, or non-original ideas have been included, applicants will give proper recognition and reference.
