

# Natural Sciences and Engineering Research Council of Canada (NSERC)

## Engage Plus Grants

---

### Subject Area:

Across the spectrum of natural and social sciences, engineering, humanities or health.

### Intended to:

- Further develop an ongoing or completed Engage Grant Project Support or to continue the project while seeking longer-term support.

### Conditions:

- The project must involve the same college and the same industrial partner.
- The original Engage Grant team should remain in place and continues to participate in the Engage Plus project. Additional academic or industrial participants can be added.
- Only one Engage Plus Grant can be awarded as a follow-on to an Engage Grant.
- The industrial partner must contribute cash to the direct project costs in an amount at least equal to the amount requested from NSERC.
- The company's cash contribution is normally required within 30 days of an award decision.
- Project Intellectual Property will be owned by the Partner.

**Value:** Maximum of \$12,500 for up to six months.

**Company Contribution:** Cash (equal to the NSERC funding requested) and in-kind contributions are required.

**Sheridan's Contribution:** Not required

**Application Deadline:** During the original Engage Grant or within the six-month period following the end of the grant.

**Notification of Award Decision:** 6 weeks

### How to Apply:

This is an institutional grant. Applications will be made by the Sheridan Research Office on behalf of the Principal Investigator. To begin the application process, please download the **Expression of Interest Form** (for Faculty Researchers) or **Grant Application Summary Form** (for Research Centres) from [Sheridan Central](#), or email [research@sheridancollege.ca](mailto:research@sheridancollege.ca) to discuss your research idea.
