## Insight Grants

---

### Subject Area:

Social sciences and humanities.

Applicants are advised to review [Imagining Canada's Future](#)'s 16 future global challenges and to consider addressing one or more of these areas in their research proposal.

### Intended to:

- Support long-term research initiatives
- Enable scholars to address complex issues pertaining to individuals and societies, and to further our collective understanding

### Conditions:

- Research initiatives may be undertaken by an individual researcher or a team of researchers working in collaboration.
- Individuals may apply, as an [applicant](#), for only one Insight Grant at a time.
- Co-applicants may be affiliated with an eligible Canadian post-secondary institution. International co-applicants are not eligible.
- Projects whose primary objective is curriculum development, preparation of teaching materials, organization of a conference or workshop, digitization of a collection, or creation of a database are **NOT** eligible for funding under this funding opportunity.
- No team members (applicant, co-applicant or collaborator) can be remunerated with grant funds.
- SSHRC and its partner organizations offer initiatives that complement this funding opportunity:
  - The [John R. Evans Leaders Fund](#) of the Canada Foundation for Innovation (CFI) offers infrastructure funding
  - The [Department of National Defence Research Initiative](#) supports research related to Defence Research and Development Canada's priorities
  - Applicants working with Canadian businesses and/or eligible not-for-profit organizations may be eligible for student internship co-funding, through the [Mitacs Accelerate](#) program
  - The [Sport Participation Research Initiative](#) supports research related to enhancing participation in sport in Canada
  - The [Initiative for Digital Citizen Research](#), a joint initiative with the Department of Canadian Heritage, supports research on or related to online disinformation in the Canadian context
