LIBRARY AWARENESS WEEK

What is Originality? Contest

Contest Winner!

The Academic Integrity Office is pleased to announce **Elizabeth Parkes** as the winner of the Library Awareness Contest.

Her illustration depicts the struggle with authenticity that we all experience and how special it is to encounter someone who is on the same path as us. It shows that only through embracing our own authenticity and originality that real friendships are discovered, and life reveals all it has to offer (E. Parkes, personal communication, December 8, 2016).

Elizabeth wins a Fuji Instax Mini 8 camera.

Congratulations, Elizabeth!
